

**OFFICE OF THE
CHIEF ELECTRICAL INSPECTOR TO GOVT., HARYANA
SCO 85-86, Sector -17-D, Chandigarh (e-mail: cei_goh@yahoo.com).**

Order

Dated: the 18th March, 2016.

No. CEI/172. -Whereas the Government of Haryana has introduced self certification of electrical installations by the owners upto 33 KV voltage level vide Power Department notification No. 6/2/2016-2P dated 16.02.2016, which is reproduced as under:

“In exercise of powers conferred by clause (zka) of sub-regulation (1) of regulation 2 of the Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010, the Governor of Haryana hereby notifies voltage upto 33 KV for the purpose of self certification for new and existing electrical installations through Chartered Electrical Safety Engineers by the owner under regulation 30 and regulation 43 of the said regulations.”

The owners of the electrical installations of voltage level of 33 KV or below may now get their installations inspected and tested by the Chartered Electrical Safety Engineers authorised by the State Government, and self certify their installations before commencement of supply as required under regulation 43 and for periodical certification of the existing installations as required under regulation 30 of the Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010, as amended from time to time.

The Power Department has authorised 209 engineers as Chartered Electrical Safety Engineers from whom the owners may get their installations inspected and tested for the purpose of self certification. The list of those 209 engineers is annexed with this order and also hoisted on the website (www.haryana.gov.in/departments/cei.html).

The Power Department has commenced a process for selection of more engineers who would be authorised as Chartered Electrical Safety Engineers under regulation 5A of the said Regulations. The names of such additional engineers will be notified in due course of time.

The authorised Chartered Electrical Safety Engineers will strictly comply with the following terms and conditions.

Terms & Conditions:-

1. The Chartered Electrical Safety Engineers shall carry out necessary tests and inspect the electrical installations of voltage level upto their level of competency mentioned against their names to ascertain compliance of relevant provisions of CEA (Measures relating to Safety and Electric Supply) Regulations, 2010, as amended from time to time, and issue the reports in prescribed Form I, II or III as the case may be for the purpose of self certification by the owners of the installations.
2. The authorisation of a Chartered Electrical Safety Engineer shall be liable to be suspended or cancelled by the Chief Electrical Inspector if he/she is found to be indulging in willful negligence, mal-practice, misuse or any other activities affecting the safety of electrical installations. However, no such authorisation shall be cancelled unless an opportunity of being heard is given to the person.
3. The authorisation of a Chartered Electrical Safety Engineer shall cease automatically on his/her attaining the age of 65 years.

Chief Electrical Inspector
to Govt., Haryana, Chandigarh.
